Forages play a vital role in Kansas agriculture and economy. Promote the diverseness, beauty and multi-faceted use of Kansas forages through the KSFGC photo contest, sponsored by the Greater Manhattan Community Foundation.

Photo Contest Rules

To participate in the KSFGC Photo Contest, you must be a current KSFGC Member. To join or renew your membership, visit www.ksfgc.org/join-us/.

Photo entries should be an obvious illustration of the category in which it is entered. Does the photo tell a story? Most often, the difference between a photo you remember and one that you quickly forget depends on whether the photo tells a story. Photos should be clear and in focus, and the viewer should be able to identify the subject in the photo. Please DO NOT retouch digital photos.
